

Health, Safety and Environment

Advanced safety leadership

Course Introduction

Advanced Safety Leadership training course will provide you with powerful tools that with effort will enable you to make an expeditious and comprehensive difference to your workplace's safety culture on returning to the organisation.

Target Audience

- Health and Safety Officers
- Environmental Health and Safety professionals
- Health and Safety Managers
- All professionals use health and safety requirements in their work processes

Learning Objectives

- Apply new leadership traits that can and will make the difference
- Understand Unsafe Acts vs. Unsafe Conditions, so avoiding the 'Blame Game'
- Understand new and effective motivational and engagement techniques
- Develop your safety culture to spread as a person to person 'virus' under three interrelated aspects:
 - Psychological
 - Behavioural
 - Situational
- Enhance your Safety and Risk Management leadership skills
