

Sales, Marketing and Customer Service

Event Management (from design to implementation)

Course Introduction

This course helps those people who are organizing and planning an event - either an in-house event or a commercial event.

The impact of a successful event on a company can be profound. The impact of a poorly organized event is so negative that it pulls resources away from real work in dealing with the aftermath. No matter what, this course will fully support your objective of helping to deliver an effective event.

How do you ensure that your event is a great success and that you have achieved everything required?

How do you ensure that it is within budget?

These and many more questions will be answered on this exciting and stimulating course

Target Audience

- Project Officers
- Administrative officers
- Any professionals interested in developing their Event Management Skills.
